

Thomasville JobLink Career Center CareerScope Interest Inventory Assessment

The First Step for Career or Educational Planning

- ▶ **Interests – Who am I and what do I love to do? What occupations will allow me to pursue and express my interests?**
- ▶ **Aptitude – What are my special skills and talents? What abilities do I have naturally? What kinds of things seem easy for me to learn? What occupations will allow me to use and expand these abilities?**

Assessing your unique personal qualities will help you determine which occupations will challenge you to grow and develop successfully, creating new possibilities for you throughout your lifetime.
